

Suncoast Sandpipers

Meeting Minutes

June 6, 2009

An informal meeting of the Suncoast Sandpipers was held at the Recreation Hall in Hillsborough River State Park on Saturday, June 6th. President Alice Lawrence presided.

Search for New President

No one has come forward to volunteer to be President or co-President of the club. Several people have volunteered to run the walks. Alice solicited ideas for the club from the audience but no one spoke up. Elections of officers for the new club year which begins in July were deferred until the end of June. A suggestion was mentioned of having project officers such as one for organization of the club Christmas party.

Next sanctioned walk

Events are being scaled back. The next sanctioned walk is planned for October. Anna Maria Island was mentioned as a future walk. Summertime fun walks as detailed in the newsletter are scheduled for July and August.

AVA

The AVA is having budget problems again. Alice reported that without the AVA we would not have insurance.

Financial Report

There was no formal report but the treasurer indicated that there was approximately \$10,000 in the club's funds. It was noted that all the walks done by the New York group made a major contribution to the club's funds.

Walk Across Florida

The 2009 WAF will be held in Orlando. The Festival of Arts also takes place during the Sunday event.

Adjournment

As there were no further questions, the meeting was adjourned.

Respectfully submitted

Vicki Crowley
Secretary
