Treasurer Jim Lawrence was absent due to illness. Alice reported that there was approximately \$10,000 in the operating account. A \$650 check was written to the Veteran's facility. These monies had been collected from the WAF raffle and art auction proceeds. A \$60 check will be written for Haiti relief. Monies from the special event at the January walk had been collected for this.

The quarterly YRE reports are due to Judy Cunningham. Once they have been received, they will be evaluated for any needed revisions at a future meeting.

New Walk

Eagle Park in Largo is opening March 29th. Diane Switalski is looking into the possibility of having a walk there.

WAF

There has been no news about WAF. Alice expressed the idea that the other two clubs may be looking at our club to host this event as the mid Florida Milers have hosted this event for several years and the Happy Wanderers hosted a big event in Savannah this past January. The group expressed a desire to continue to have the WAF event in one central location for all of the walks. The group also wanted

to have at least one of the walks on the beach perhaps at the same time the sand sculptures were present at Treasure Island in November. Alice asked the group to think about this and bring ideas to the next meeting.

#### New Business

Alice asked each person present if they had any new business to discuss. No one did.

#### Next meeting

The next meeting will be held after the April 10th walk.

#### Adjournment

The meeting was adjourned at 12:10 PM

Respectfully submitted
